HOW TO ORDER

- Select the model from the sizing chart (with the appropriate prefix and suffix code) and size to fit. The opening widths in the above chart are based upon using standard mounting hardware for installation. Additional overlap on the width of 1" per side or a total of 3" per side is available by ordering optional hardware pack 10740.
- Example of ordering a Chalet stock door: CB3626CV1.
- When using a mesh curtain, the maximum overlap on the height is 2" from the lintel and maximum overlap on the width is 3" on each side. Example of ordering: C-3626.
- When using a mesh door, the maximum overlap on the height is 2 3/4" and maximum overlap on the width is 3" on each side. Example: MD-3626.
