ACCESSORY OPTIONS FOR YOUR QUARTZ FIREPLACE

Interior Panels – Customize the interior of your fireplace with this alternative style of decorative lining.

Cottage Red

Tavern Brown

Reflective Black Glass

Contemporary Conversion Kit – Comes standard with diamond and onyx glass and stones.¹

Diamond Glass

Onyx Glass

Stone Kit

Glass Firebed – Once you add the contemporary conversion kit, you can change the look with additional glass options.¹

Sapphire Glass

Bronze Glass

Controls – Take complete control of your comfort.

TotalRemote

Effortlessly manages heat output and comfort level with timer mode, room temperature readout, thermostat mode, flame high/low, fan speed, on/off.

Mantel Systems – Visit majesticproducts.com for a variety of options and additional information on mantel systems, shelves and stone surrounds.

Quartz 42 shown with fade-resistant reflective black glass interior panels

Heat Management Solutions

Fan – Move heat directly into the room for added comfort.

Heat-Zone™ Kit – Draw heat from your fireplace to another room in your home.

Heat Duct Kit – Send the warmth from your fireplace to the rest of your home via furnace ductwork.

Install Virtually Anywhere

Power Venting

A fan-powered accessory with slim venting can zigzag throughout your home—install a gas fireplace virtually anywhere.

¹ Contemporary glass firebed available for 32" and 36" only.

IntelliFire™ Ignition System

An advanced intermittent pilot ignition system. IPI constantly monitors ignition, ensures safe functioning and conserves up to \$10/month in energy costs.

Direct Vent Technology

Direct Vent fireplaces remove 100% of combustion exhaust and odors from your space. These sealed fireplaces provide optimal heat, conserve energy and ensure clean indoor air quality.
