6" and Larger FCS Adapters

### NOTES:

- The 4CGIA2BP can be used in place of the 4CGAI2 if a backflow preventer is desired.
- Metal-Fab offers appliance adapters to transition from PVC Vent Collars to Corr/Guard Vent. The part numbers are: 3CGPVCA, 4CGPVCA and 6FCGPVCA.
- Metal-Fab offers appliance adapters that allow appliances with vent collars on the back or side of an appliance to vent horizontally "downhill." The part numbers are: 3CGVUHA and 4CGVUHA
- The description "N/R" is an abbreviation for "Not Required." On these applications the male end of the Corr/Guard vent will make the connection to the appliance or the appliance adapter shipped with the appliance.
