

EF39HD & EF39S

Mounted or Recessed Electric Fireplace

A display of modern artwork and an elegant fireplace all in one. The EF39 electric fireplace simply hangs on your wall like any artwork and plugs into a standard 120V electrical outlet. Instantaneously, your room is easily transformed into a relaxing and intriguing retreat. Perfect for any room in a house, apartment, condo, office or spa. The EF39 is available without a heater (EF39S) for either wall mount or recessed installation – ideal for beneath sensitive electronic equipment. The EF39 offers you the most versatility, limited only by your imagination.
