

EFL100

100" Wide Design

Napoleon's EFL100 electric slimline fireplace is 100" wide and offers an outstanding linear design element to any room in your home or office. The EFL100 features a realistic flame pattern accented by a contemporary glass ember bed and operates from a remote control or can be hard wired to a light switch. The EFL100 does not produce heat and can be recessed into a 2" x 4" wall with only 1/2" protrusion or surface mounted on the wall with a built-in bracket, perfect for commercial applications.
