

GDI30G Direct Vent Gas Insert

Sparkling Elegance

The GDI30G comes complete with Napoleon's exclusive Topaz CRYSTALINE™ glass ember bed that sparkles with intriguing elegance and a heat activated variable speed blower system. Optional decorative accessories and coloured glass media kits are available to match any décor. With its innovative design, impressive 85% efficiency and reliable heating capabilities, the GDI30G fills a niche for a contemporary style in an otherwise traditional masonry setting.
