

GDI44 Direct Vent Gas Insert

Picture Perfect

Napoleon's GDI44 gas insert boasts an incredible 75% flame/heat adjustment (up to 40,000 BTU's down to 10,000 BTU's), more than any other insert! With a standard heat activated variable speed blower the GDI44 is the perfect solution to improve your existing inefficient wood burning fireplace and at the same time, offering a huge viewing area to enjoy the beautiful, mesmerizing flames. Trim kits, decorative panels and a variety of door kits are available for the GDI44 to match any décor.
