

# GVF42 - 42" Fireplace

## Massive Viewing Area

A stunning 42" vent free fireplace that features a multi-level burner with realistic PHAZER® logs creating a beautiful display of YELLOW DANCING FLAMES® that fill the firebox. With the easy installation of vent free technology and the optional decorative accessories, the GVF42 efficiently transforms a room into a relaxing, warm oasis with a beautiful fireplace as the focal point.

### GVF42

Up to 30,000 BTU's
