Vent Free Ethanol Fireplaces

Napoleon's clean burning, vent free ethanol fireplaces are a versatile solution for an exceptional presentation of fire art.

The innovative wall bracket, no need for venting and the slim firebox design allows for easy installation in any setting. The Linear, Convex and Square models feature easy to fuel, built-in linear burners that provide a luxurious flame pattern. The Corner model features three burner pots that have large fuel capacity for a long burn time.

All models are easy to light, are environmentally friendly and produce a warm, radiating heat with plenty of fire elegance.

Napoleon® Exclusive Features

- Available in a Corner (WMFE1 - 10,000 BTU's), Square (WMFE2- 5,000 BTU's), Linear (WMFE3 - 10,000 BTU's), or Convex (WMFE4 - 5,000 BTU's) model
- All models come standard with a contemporary glass fender (Linear - WMFE3 comes with two)
- All models come standard with wall mounting brackets and hardware
- Models come complete with linear stainless steel burner(s) with slim profile flame diverter (Square, Linear and Convex)
- Corner model comes complete with three stainless steel burn pots
- Shut-off control tool comes standard
- Convenient fill spout is included with each model for easy refueling
