

The Madison™ GD80

Old World Charm... with Tomorrows Technology

Remote

Hand held modulating
thermostatic
remote control
included

The Madison™ rekindles the romantic era when sitting by the fire melts away the chills of the world outside. The traditional aesthetics provide an exceptional, unobstructed viewing area with a frameless finish. An open look of a real wood burning fireplace emerges with all the conveniences of direct vent technology. This exclusive fireplace comes fully equipped with a multi function hand-held remote control (adjusting flame, heat, blower and exclusive Night Light™), elegant solid cast iron andirons and grate, heat circulating blower, safety pull screen and advanced burner technology. All this and the choice of either a wrought iron faceplate or a traditional arch or rectangular door design to complement your decor.

Features & Advantages

The Madison™

- Up to 43,000 BTU's • Heater rated
- 50% flame/heat adjustment for maximum comfort and efficiency
- 1 Superior heat circulating blower with variable speed control
 - provides powerful heating performance
- 2 PHAZERAMIC™ advanced burner technology with glowing ember bed, produces the most realistic flames in the industry
- 3 Elegant cast iron andirons & grate
- 4 Efficient Heat Exchanger; Napoleon's exclusive heat catalyzing chamber draws cool room air in, forcing it around the entire hot firebox and back out in the room with a high output heat circulating blower system, standard with every Madison™
- Exclusive Night Light™ illuminates the decorative firebox and logs
- Full view operable safety screen
- Hand-held modulating thermostatic remote (controls flame, heat, blower and Night Light™)
- Immense 37" w x 30" h viewing area
- Available in either a true arch or rectangular design opening
- Realistic PHAZER® logs, distinctive to The Madison™, provide real wood log appearance
- 100% SAFE GUARD™ gas control system automatically and quickly shuts off the gas supply for your peace of mind
- No electricity required to light or operate - millivolt system ensures reliable use even during power failures
- Approved for bathrooms, bedrooms and bed sitting rooms
- President's Lifetime Limited Warranty
