Bar Stock Bottom	\$69.00
-------------------------	---------

Note: Mesh curtains can be as much as 3/4" above the floor of the firebox depending on dimensions. The Bar Stock Bottom is recommended to hide this gap, and may also assist as a barrier for ash in wood burning applications.

Mesh only comes in Black

Bar Stock Mesh Top & Bottom

HOW TO ORDER

- Use custom order form #8 and completely fill out all information requested.
- Order must be mailed or faxed to Thermo-Rite.

CUSTOM MESH

Mesh Curtain Assembly

The Mesh Curtain Assembly is all the working hardware necessary to install mesh curtains in your fireplace. Lintel bar clamp mounting requires no drilling for easy installation. Custom sizing means each curtain is cut to meet your exacting needs for a truly tailored finish.

Mesh Curtain Replacement Panels:

Heavy 19 gauge wire. Finished w/rust preventative, high temp black enamel. Shipped via ground carrier. Includes two (2) mesh panels with pull handles and rings. Larger sizes are available - contact factory for pricing.

How to select Your Mesh Curtain Set

Measure the height of your present mesh curtain - from top to bottom. Order the stock number based on the chart shown at the right.

Custom Mesh Panels

If our standard sized Replacement Mesh will not meet your sizing needs, custom cut mesh panels are the answer. Specify width and height and Thermo-Rite will hand make you a panel that meets your specific needs.
