Z Laser in Antique Silver with Clear Glass

The Z-Laser is an aluminum enclosure with a 1.75" wide frame. The frame protrudes a mere .375" from the face of your fireplace and overlaps its opening .75". The laser is a sleek addition to any room, and it sits a mere .875" into the fireplace opening. The door return track is hidden behind the outer frame for a clean, one piece look. It is available as an Overlap Fit only.
